Place, date

Legally binding signature and stamp

General Terms of the Technical Exhibition

1. Terms of registration: The registration is effected by a registration form, which has to be filled out, signed legally binding and sent to the organizer of the event. With written exhibition form the exhibitor accepts the general terms of the exhibition.
2. Exhibition goods: All exhibition goods have to be listed in the registration form or have to be announced to the organizer until **August 31, 2010**. The organizer is authorized to cancel the admission, if it has been issued due to wrong data or if the admission requirements are not fulfilled.
3. Rent of exhibition space: The exhibitor receives a confirmation after acceptance of his registration. The exact distribution of the stands will be done by the organizer at a later point of time taking into account the incoming order of the registration forms. For assigning exhibiting rights to a third party, a written authorization issued by the organizer is necessary.
4. Stand layout: **The organizer has arranged the conditions of stand layout and design in co-operation with the instructed company "M&S Messebau & Service GmbH". The exhibitor is obliged to hang on to these conditions.** The exhibitor has to bear all costs of additional fittings and equipment, which have to be arranged with the instructed company.
5. Liquidation of contract: Registered companies, which have received a written confirmation, can cancel the contract free of charge until **August 31, 2010**. After this date, the exhibitor owes 50% of the total stand rent, independent from a claim form of the organizer.
6. Control of the exhibition place: The exhibition place is not controlled by the organizer. The organizer is not to be hold liable for theft or personal and material damage.
7. Liability or insurance: The organizer is not to be hold liable for any damage, loss, etc. of the exhibitor's own or rented goods or persons caused during the exhibition, building up the booth, dismantling it or during transportation to or from the exhibition grounds. Not even if these damages or losses are caused by the exhibitor or his personnel, even though it is not a fault of the exhibitor or his personnel. Thus, it is recommended to take out insurance for the insurable risks such as fire, theft, water and weather damages, damages, etc., including the risk of transportation of exhibition goods. The exhibitor shall be liable for any damage done to the building and/or the furniture. It is not allowed to drill or nail into walls, ceilings or floors.
8. Terms of payment: The exhibitor is obliged to pay the total amount of the rent within 14 days after the date of invoice. The organizer is authorised to cancel the contract and to rent the exhibition space to another company if the total amount has not or only partly been paid within the deadline. With delay of payment interest on arrears with a value of 2% over the respective rate of the discount rate of the Federal Bank of Germany have to be paid.
9. Waste disposal: Fees for exhibition space also comprise the waste disposal.
